

Dear T.R. Ministry of Commerce General Directorate of Export

Based on the economic priorities and targets set out in the "Turkic World Vision 2040" and "Strategy of the Turkic States 2022-2026", as well as in line with the 2023-2024 Action Plan of the Union of Turkic Chambers of Commerce and Industry (TCCI) adopted at the 12th Meeting of the CIS Ministers of Economy and Trade.

In line with the 2023-2024 Action Plan of the Union of Turkic Chambers of Commerce and Industry (TCCI) adopted at the 12th Meeting of the Ministers of Economy and Trade of the CIS, we would be very honoured to inform you about the **"Turkic Trade Fair - Turkic States Trade and Investment Cooperation Forum and Fair"**, which will be held at the **Istanbul Expo Center (IFM) on 7-9 November 2024** under the auspices of the Ministry of Trade of the Republic of Turkey, in cooperation with the **Organization of Turkic States - Union of Turkic Chambers of Commerce and Industry (TCCI)**, under the organisation of **Rok International Consulting Inc.**

Turkic Trade Fair, Turkic states: **Azerbaijan, Kazakhstan, Kyrgyzstan, Turkey, Uzbekistan, Hungary, Turkmenistan, Turkish Republic of Northern Cyprus**, aiming to develop trade, industry, investments, technology and services between the Turkic states and facilitate the marketing of these services to other parts of the world, supported by the state institutions of 8 countries, is a trade fair and forum that is preparing to be the largest meeting of the Turkic states in the business world.

Our main goal in the **Turkic Trade Fair**, which we will organize regularly every year in other Turkic States, is to develop and strengthen trade, industry, investments, technology, services and other economic areas between Turkic States.

At the fair, product groups and new technologies will be exhibited in more than 20 fields in the countries, investment opportunities of the countries, important sectors: agriculture, energy, sports, Turkic women in the economy, problems of the business people of the countries, solution suggestions and other current issues will be discussed in conference panels with expert speakers in the field. It will be ensured that companies establish strategic partnerships and create common brands of Turkish states through bilateral and franchise negotiations.

The fair will be held in Istanbul Expo Center (IFM) in Halls 9-10 in a 10,000 m² closed area.

More than 200 Turkish states: Azerbaijan, Kazakhstan, Kyrgyzstan, Turkey, Uzbekistan, Hungary, Turkmenistan, Turkish Republic of Northern Cyprus companies and other foreign countries will participate in the fair as pavilion country stands.

More than 20,000 people from the Turkic States, as well as from many countries in Europe, Africa, Pakistan, Afghanistan, Iraq, Malaysia, Indonesia, etc. attended the fair. Visitors will come from different countries.
